

Guohua ZHOU (G. -H. Zhou) , PhD

Professor, Medical School of Nanjing University, China Pharmaceutical University and Nanjing Medical University. Senior researcher of Huadong Research Institute for Medicine and Biotechnics; Birth date: Dec. 03, 1964. He did his postdoctoral trainings at Central Research Laboratory of Hitachi from April of 1999 to December of 2001. He received his PhD from Tsinghua University in 1998, and his Master degree from Nanjing University of Chemical Engineering & Technology as well as China Pharmaceutical University in 1989. He was a visiting researcher in Central Research Laboratory of Hitachi from April of 2004 to February of 2006. Dr. Zhou leads a group working on molecular diagnosis. His research interests include development of new technologies (especially Pyrosequencing technology) for genetic analysis including SNP genotyping, miRNA quantification and gene expression analysis, clinical diagnosis of cancer markers, and single cell analysis.
